For the second time ... Iranian militias push an Iftar invitation for the elders of Al-Mayadeen

Sources revealed to Deir Ezzor 24 network that for the second time, Iranian militias have pushed an Iftar (a breakfast in Ramadan) invitation for the tribes Sheikhs and elders of al-Mayadeen area in the eastern Deir Ezzor countryside. The sources said that the Iranian militias have pushed the Iftar for an unknown reason, where the invitation was scheduled two days ago but it was postponed without explaining the reasons. The sources revealed that Iranian militias had invited more than 40 people in Al-Mayadeen city east of Deir Ezzor, but the real reasons behind the postponement are still unknown. It is noteworthy that the Iranian militias rely heavily on the elders and tribal Sheikhs of the areas to attract the young men living in the areas outside Assad regime's control. It is indicated that the Iranian militias almost completely control Al-Mayadeen city in the eastern Deir Ezzor countryside, and follow the carrots policy of luring the people of the region

The International Coalition Spokesman accuses Assad's Media Agency of spreading fake news

the international Coalition spokesman, Colonel Caggins, said in a tweet: "There has been no attack against U.S soldiers in Deir Ezzor." In his tweet, Colonel "Caggins" denied the news spread by Assad regime's news agency SANA that American soldiers had disappeared in Deir Ezzor in the past two days. "We can say that if there are prizes for fake news, this news agency deserves to win them all," Said Colonel Caggins accusing Assad regime news agency SANA of spreading fake news

The SDF launches raids on the river crossings west of Deir Ezzor

the Syrian democratic forces launched raids on the river crossings along the river bank in the western Deir Ezzor countryside, according to Deir Ezzor 24 network correspondent. Our correspondent added that the raiding force confiscated ships intended for smuggling oil and goods to the areas of Assad's forces, as well as fishing boats, and arrested several people on charges of smuggling to the areas controlled by Assad's forces on the other side of the Euphrates River. It is indicated that Smuggling from the areas controlled by SDF to Assad regime areas in Deir Ezzor has not stopped despite the fact that most of the land and river crossings have been closed by the Executive Council of the Autonomous Administration in northeastern Syria, as one of the measures it took to prevent the spread of coronavirus

A commander of the SDF was killed and another injured in two attacks by gunmen in Deir Ezzor countryside

gunmen targeted an SDF commander, Fawaz al-Kraid, known as Abu Hammam, with an explosive device in Jedid Bakara village east of Deir Ezzor, slightly injuring him, according to Deir Ezzor 24 network correspondent. Following the incident, the SDF launched raids on several places in Jedid Bakara town in search of Daesh operatives and cells, our correspondent added. It is indicated that Al-Kraid was an operative of Daesh before defecting and joining the Syrian democratic forces. It is worth mentioning that a day before the incident, gunmen, believed to belong to Daesh, targeted an SDF commander, known as Abu Saddam al-Kuwaiti from Al-Sabha town in the eastern Deir Ezzor countryside, which led to his death, and he was also one of the former members of the organization, which indicates that the organization is targeting all its former members who are working with the SDF now

The international coalition carries out an air borne operation north of Deir Ezzor

a force of the international coalition carried out an airborne operation near “Gharibah reservoir” in Gharibah al-Sharqiya town in the northern Deir Ezzor countryside, Deir Ezzor 24 network correspondent said. According to our correspondent, two of al-Mubarak family’s members were arrested, in addition to confiscating a box. It is indicated that this airborne is part of the security operation carried out by the international Coalition and the Syrian democratic forces against Daesh remnants and cells

With names, Assad regime releases a number of people from Deir Ezzor after many years of detention

Assad regime released a group of detainees from Deir Ezzor province, some activists reported. According to Deir Ezzor 24 network correspondent, a number of those released have been detained for nearly eight years in the Security Branches of Assad regime

:The network has documented the names of those released

Tahir Al Hindawi - Rami AbdulKarim al-Zaki - Ismail Yassin - Aqeel Elaiwi - Suleiman Al-Radhi - Khaled Al-Akel - Ahmed al-Khalouf - Jalal Al-Zaher - Qutaiba al-Jassim - Radwan Al-Omeir - Suhail Al Hussein - Juma Al-Maddad - Ali Al-Thamer - Hani al-Allawi - Bahgat Al-Salah - Qassim al-Freih - Saleh al-Hasan - Yazan Al-Mohammed - Salman Al-Halloush - Ismail Al-Khalaf - Jabr al-Dawood - Maher Al-Rajab - Saad Suleiman - Muthanna Al-Awwad

An official of Deir Ezzor civil council is killed by unknown perpetrators

Hamad al-Sheikh” and another person were killed by unknown” perpetrators in Ash-Shahil town in the eastern Deir Ezzor countryside, according to Deir Ezzor 24 network correspondent. Our correspondent added that unknown assailants shot at al-Sheikh’s car while passing through Ash-Shahil town, killing him and another man who was with him in the car. Al-Sheikh is the oil products officer in Deir Ezzor Civil Council in the eastern and western Deir Ezzor countryside. It is worth mentioning that such operations have increased significantly over the last period as a result of the .increased activities of Daesh and Assad’s forces cells

A school is blown up in Al-Hawayej village, and a drone targets the perpetrator

unknown perpetrators blew up a school in Al-Hawayej village in the eastern Deir Ezzor countryside, according to Deir Ezzor 24 correspondent. Following the school bombing, an explosion was heard throughout the village, which turned out to be a rocket launched by a drone on a man riding a motorcycle near the school, which led to his death. It is likely that the targeted man was the one behind the school bombing. So far, it is not known who was behind the school bombing, but the way in which the bombing was carried out bears the hallmarks of Daesh, which is active in carrying out occasional operations in the region

No bread in Deir Ezzor neighborhoods

Deir Ezzor neighborhoods witnessed a severe shortage of bread, according to Deir Ezzor 24 network correspondent. Our correspondent added that Assad regime issued a sudden decision to close the bakeries on Friday, under the pretext of carrying out maintenance and sterilization, and granting a rest day to the workers. This led to the disappearance of bread in the areas of Deir Ezzor which are under the control of Assad's forces and the Iranian and Russian militias

An explosive device kills a child and injures civilians in Suweidan Jazeera

A child was killed and a number of civilians, including a woman, were injured when an explosive device exploded in a shop in Suweidan Jazeera village east of Deir Ezzor. In detail, an explosive device placed in an old refrigerator exploded in front of a refrigerator repair shop in Suweidan Jazeera town as a Syrian Democratic Forces vehicle was passing by, which led to the killing of (Ahmed Musa al-Saleh), a displaced child from Al-Ishara city, while he was at the site of the explosion, and a number of civilians and SDF elements were injured and taken to hospital. An element of the SDF was reportedly killed in the hospital, but this has not yet been confirmed. It is worth mentioning that Suweidan Jazeera town has recently witnessed many murders, robberies and bombings against civilians by Daesh cells

The commander of the National Defense Militia in Al-Ishara city is killed

Iyad Amin al-Ghanem, the National Defense Militia commander in Al-Ishara city east of Deir Ezzor was killed today, in mysterious circumstances. Pro-regime pages reported that he had died in a traffic accident while travelling in Deir Ezzor. Activists said that he had died after falling off the roof of the building taken by the national defense militia as a headquarter in Al-Ishara city. It is worth mentioning that the killed is from Latakia and has been a commander of the .National Defense Militia in Al-Ishara city for nearly a year

The SDF carry out a surprise security people in Deir Ezzor 10 operation and arrest

the SDF arrested 10 people in Al-Baghuz town east of Deir Ezzor on charges of belonging to Daesh, according to Deir Ezzor 24 network correspondent. Our correspondent added that covered by the international coalition aircraft, the SDF's HAT and internal security forces have carried out a massive security operation. Our correspondent confirmed that the attacking forces beat civilians, including a woman, during the raid. On their identifiers, the SDF announced that they had arrested a cell of Daesh in the security operation carried out in Al-Baghuz town. According to local sources, most of the accused are civilians, and one of them has been in Lebanon for 13 years, accordingly he was not in Syria at the time of Daesh

The detainees

Jamal Al-Ali Al-Shiraida - Raad Jamal Al-Shiraida - Bashar Jamal Al-Shiraida (has been in Lebanon for 13 years ago) - 4. Suleiman Abdel-Aswad - Ibrahim Al-Hussein Al-Attayah - Hussein Ali Al-Ali - Mohammed Ali Al-Ali - Two sons of Ibrahim al-Hamid (from Sheikh Hamad neighborhood) - Abboud Ali Al-Abboud

Daesh sets up a checkpoint in Deir Ezzor countryside and blows up a school

a cell of Daesh raided shops in Gharibah Sharqiya village in the northern Deir Ezzor countryside, according to Deir Ezzor 24 network correspondent. Our correspondent confirmed that the cell set up a “flying” or temporary checkpoint in the village, while a group raided shops, confiscated cigarette packs and burned them in the center of the village, then the cell withdrew towards the badiyah after carrying out the mission. In the same context, gunmen of Daesh blew up a school in Al-Hawayej village in the eastern Deir Ezzor countryside. It is indicated that cells of Daesh are active in Deir Ezzor and carry out occasional operations of .killings, robberies and bombings

The Autonomous Administration issues a new decision to prevent the outbreak of Corona

The Joint Presidency of the Executive Council in northeastern Syria has days from Wednesday 10 issued a decision to extend the curfew for to prevent the spread of the new Coronavirus. ~2020-5-1 to 2020-4-22~ The new decision exempts (the human, agricultural and veterinary pharmacies), the shops selling vegetables, fruits, meat, and sweets, as well as vendors from the curfew. The decision allows the supermarkets and food stores to open everyday during the curfew, and the exchange office to open every Friday and Tuesday. The construction sector (building workers and the shops selling building materials) and all the shops in the industrial zones are also exempted from the curfew. The new decision facilitates the movement of farmers to and from their in each 10 lands during the curfew, but the workers must not exceed vehicle while traveling. The decision allows the vehicles transporting foodstuffs, infant formula, detergents and oil products to move freely in all areas of the autonomous administration during the curfew. The decision stressed that all those who are exempted from the curfew must take all the preventive measures while working. It is worth mentioning that the municipalities of the eastern Euphrates areas in Deir Ezzor have taken several measures to prevent the outbreak of .Corona pandemic

The Autonomous Administration issues a decision for farmers

the Executive Office of the Autonomous Administration in northeastern Syria issued a decision to facilitate the movement of farmers and their workers to the agricultural lands during the curfew. According to the statement published on the pages of the administration, the farmers and their workers must leave spaces among each other while going to and from the lands, and the number of workers in each vehicle must not exceed 10. It is worth mentioning that the decision came as part of the measures taken by the Autonomous Administration in northeastern Syria to prevent the spread of the coronavirus

The heads of local councils convey the people's demands to the Autonomous Administration

at the municipality building ,2020-4-12 A meeting was held Sunday in Al-Sussah town in the eastern Deir Ezzor countryside, including an official from the autonomous administration and the heads of the councils of Al-Sussah, Al-Baghuz, Ash-Shafah and Al-Marashdah network correspondent. Our towns, according to Deir Ezzor24 correspondent added that “Zinnar,” the councils official, along with a delegation with him listened to the demands of the people of the region, which were conveyed by the heads of the councils. At the top of the people’s complaints was the repeated harassment civilians subjected to by some checkpoints of the Syrian Democratic Forces (SDF). The heads of councils also demanded the food rations to be increased, and distributed in an organized manner, and they stressed the need to exempt the pharmacies and food shops from the curfew, and demanded intensified efforts and plans to get rid of the remaining mines and remnants of war. At the end of the meeting, the local councils official promised to address all the issues raised during the meeting as soon as possible

Corona opens a source of “living” for Assad’s forces in Deir Ezzor

Deir Ezzor24 network correspondent said that elements of the 4th Division, are imposing huge amounts of money on the people of Deir Ezzor to allow them to cross from the areas controlled by Assad forces (west of the Euphrates) to the areas controlled by the SDF (east of the Euphrates). The elements are facilitating the entry of those who want to cross to the other side through the illegal river crossings on the Euphrates River. According to our correspondent, elements of Assad’s forces’ checkpoints in Al-Salhiyah town north of Deir Ezzor are also imposing taxes on those who want to pass through the crossings. In the same context, several houses in villages and towns of the eastern Deir Ezzor countryside (west of the Euphrates) were looted by members of Assad’s forces and their militias, who took advantage of the curfew imposed by Assad regime due to the spread of the Coronavirus. And most of the looting operations took place in the towns of Buqruss, Saalo and al-Zabari east of Deir Ezzor. It is indicated that Assad’s forces have been controlling the western Euphrates region in Deir Ezzor since late 2017, and the region has been witnessing thefts and lootings of civilian property by Assad’s forces since then without any accountability .from Assad regime

In an explicit statement, the autonomous administration accuses Assad regime of irresponsibility

the Health Authority of the Autonomous Administration in northeastern Syria issued a statement, in which it said that Assad regime bears full responsibility if Coronavirus was transmitted to the areas of the autonomous administration. According to the statement issued by the Health Authority, the administration has taken all the necessary preventive measures against Coronavirus, but the recklessness of Assad regime will lead to disastrous consequences, and the virus will spread in all areas of Syria. At the end of the statement, the Health Authority said that Assad regime bears full responsibility for any future cases in its areas: "The Syrian regime authorities is responsible for any case of coronavirus in our region due to their recklessness by violating the preventive measures and sending passengers to our areas." It is worth mentioning that many illegal crossings between the eastern and western Euphrates areas of Deir Ezzor are still open, which threatens the eastern Euphrates region by the spectre of .Coronavirus, coming from Assad forces controlled areas west of the Euphrates

The people of Al-Buwaittya village in Deir Ezzor clash with gunmen and expel them

between the people of Al-Buwaittya village 2020-4-7 A clash broke out in the countryside of Al-Tibni area west of Deir Ezzor and gunmen believed to be belong to an Iranian militia in the badiyah of Deir Ezzor, network correspondent. In the details, our according to Deir Ezzor24 correspondent said, that gunmen in pick-up vehicles attacked some shepherds from Al-Buwaittya village in the badiyah, but the shepherds, who were armed with personal weapons, defended themselves, and requested help from the people of the village, so a group of people with their weapons came and clashed with the gunmen, and expelled them. that the attackers were the Local sources confirmed to Deir Ezzor24 people from Maadan 8 same ones who committed the massacre against Atiq village in Deir Ezzor countryside two days ago. It is worth mentioning that several militias, including the Palestinian Al-Quds Brigade militia, have been deployed recently along with Assad's forces in .the badiyah of Deir Ezzor to comb the badiyah

Unknown gunmen commit a massacre against a group of people from Deir Ezzor

Eight Civilians from Deir Ezzor including two women from Al-Misttaha and Abu Shahri were killed by unidentified gunmen in Maadan Atiq countryside in Al-Tibni area in the western Deir Ezzor countryside, local sources said. According to the sources, the victims were abducted and killed by gunmen After the .2020-4-3 driving military pick-up vehicles after sunset on Friday incident, sounds of clashes and explosions were heard in the area, following which the locals found the bodies of the victims with gunshot wounds, mostly in the head The area where the massacre took place is under the control of Assad's forces and the Russian and Iranian militias, but till now it .is not known who stand behind the crime

The victims

Eid Awad al-Saleh - Hussein Mahmoud al-Fayyad - Abboud Hasan Mohammed Al-Oran - Kamal Hasan- Mohammed Al-Oran - Khalid Ahmed Al-Abdullah - Farhan Fawaz al-Ali - The woman Fedha Ahmed Al-Salem- The .woman Fttaim Hussein Al-Abdullah

Daesh threatens the employees of a village municipality in Deir Ezzor with death

Daesh threatened the employees of al-Hussein village municipality in the northern Deir Ezzor countryside, according to a statement bearing The .2020-4-the group's stamps, that was circulated on Friday 3 handwritten statement included a direct threatening from Daesh to the mayor and staff of Al-Hussein village municipality, to leave work with the autonomous administration and the international coalition, or they will be killed by the group. It is noteworthy that Daesh is active in the areas of Deir Ezzor that are controlled by the international coalition and the Syrian democratic forces, and occasionally carries out criminal acts .against the employees and people of the region

A horrible crime is committed by the Republican Guard in Deir Ezzor

During the past few days, members of Assad regime Republican Guard committed a crime against a person in one of Deir Ezzor city's neighborhoods in the areas controlled by Assad's forces, according to pro-regime pages. In detail, two members of the Republican Guard, Karam al-Sussi, Ous Hamdan, pulled Fawaz Khalifa, a taxi driver from Deir Ezzor, in to an empty area, where they killed him and stole his money and car. A few days after the crime, they were arrested while trying to sell the victim's car. It is noteworthy that crimes of different kinds (murder, robbery, fraud, rape) and other crimes have been widespread in the areas of Deir Ezzor which are controlled by Assad's forces, due to the widespread corruption in the Assad regime's security branches in Deir Ezzor

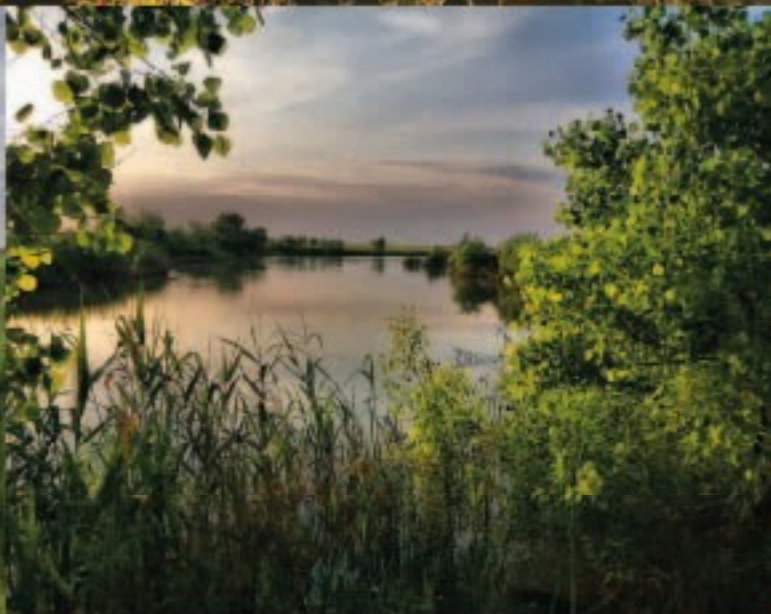

Shiism in Deir Ezzor The stages of Shi'ism from the beginning to the present time

Executive Summary This study is on “Shiism” which has become a dangerous movement since the beginning of the Iranian military intervention in Syria, as it will have its repercussions. Through this movement, Iran has been trying to change the religious structure in Deir Ezzor, and this change is as dangerous as the demographic change, as it is an attempt to make an extreme change. The study talks about the beginnings of Shiism in Syria, and the new Shiism, 1980s, the year that saw the especially since the beginning of the first seeds of Shiism in Deir Ezzor society, that knows nothing about it before. This study also explains how the tribes dealt with this movement, the relationship of the various actors in Deir Ezzor with Shiism, and the role of Shiism in Iran policies. At the end the study provide a set of suggestions and recommendations to deal with this sensitive file, that may create a tribal community crisis in case its sensitivity was not taken seriously. The study, in some of its parts, network is active in all areas 24 relied on field sources, as Deir Ezzor of Deir Ezzor, and has great access there, in terms of tracking and verifying the field information, in addition to interviewing people in Deir Ezzor and asking them questions related to the study
