## Clashes between two militias in Al-Bukamal results in injuries

A number of people were wounded in a clash that broke out last night between members of the National Defense Militia and members of the Iranian Revolutionary Guards militia in the city of Al-Bukamal in the eastern countryside of Deir Ezzor, according to the correspondent of DeirEzzor24 network.

Our correspondent said that the cause of the problem between the two parties was a motorcycle stolen by members of the National Defense Militia.

He added that the military police closed the road from Al-Fayhaa Square towards Al-Zubair Hospital in the city center due to the clash. It is not yet known the extent or number of casualties, while the headquarters of the National Defense Militia and the Iranian Revolutionary Guards militia in Al-Bukamal mobilized against the background of the clash.

## The Russian Reconciliation Center distributes aid to eastern Deir Ezzor for the first time

The Russian Reconciliation Center in Hatla distributed food aid to a group of families in the town of Al-Jafra in the eastern Deir Ezzor countryside.

The number of food baskets that were distributed reached 400, consisting of (a liter of oil, a kilo of sugar, 100 grams of tea, 2 kg of flour and 5 cans of Nestle).

The distribution process was attended by the mayor of the town, "Turki Al-Khalif" and the so-called "Abdulaziz Al-Sahafi", along with officers and members of the Russian forces.

This is the first time that the Russian Reconciliation Center has distributed food baskets outside the framework of the seven villages (east of the Euphrates).

## Al-Bukamal city is experiencing a gas crisis

The past few days witnessed the loss of gas from the markets of the city of Al-Bukamal in the eastern countryside of Deir Ezzor, according to what the correspondent of DeirEzzor24 network reported.

Our correspondent said that the price of a gas cylinder on the black market is 80,000 Syrian pounds, due to the lack of supplies and the increasing restrictions imposed on the material by the Fourth Division.

The Iranian militias began to bring gas to Al-Bukamal from Iraq, through the Popular Mobilization Crossing, but it goes to the Iranian forces and their elements in the region and some of the smugglers cooperating with them.

## Iran is a new destination for the people of Deir Ezzor to complete family reunion

A reporter of DeirEzzor24 network said that a new phenomenon began to be noticed in Deir Ezzor province recently, represented in submitting requests for family unification to expatriates in Europe through European embassies in Iran.

Our correspondent said that a number of Deir Ezzor families have traveled to Tehran in recent days, to submit to interviews conducted by European embassies regarding family unification.

Most of the procedures for asylum applications for the people of Deir Ezzor governorate were taking place in the countries of Lebanon, Jordan and the UAE, but what is new in the matter is that they are transferred to Iran.

## Iranian militias in Deir Ezzor use a spy car

DeirEzzor24 network monitored a spy car, equipped with electronic espionage equipment in the city of Deir Ezzor.

A reporter of DeirEzzor24 said that the car left Deir Ezzor military airport yesterday, accompanied by a pickup car belonging to the Iranian Revolutionary Guards militia, and headed towards the eastern countryside of Deir Ezzor.

That the area witnessed repeated targeting of Iranian militia cars and positions, the last of which was in the town of Al-Duwair, east of Deir Ezzor, in addition to the appearance of graffiti in Al-Bukamal threatening the Iranian militias.

It is likely that this vehicle will be used in espionage operations to detect activists against the Iranian militias in Deir Ezzor.

## Unknown warplanes target Iranian militias in eastern Deir Ezzor

Unidentified aircraft launched, 3 air strikes on Iranian militia positions on the outskirts of the city of Al-Bukamal, east of Deir Ezzor, near the Syrian-Iraqi border, according to the correspondent of DeirEzzor24 network.

He mentioned that the warplanes attacked positions of the Popular Mobilization militia in the Humaydah area in the desert of the city of Al-Bukamal in the eastern countryside of Deir Ezzor.

He added that another raid targeted a location near the smuggling yard next to the border gate.

He stressed that the raids resulted in the injury of two members of the Popular Mobilization militia, who were immediately transported to Iraqi hospitals, and caused severe material damage.

It is not yet known what the targets of the raids were, while Al-Bukamal and its countryside witnessed a great mobilization of the Iranian militias and Assad's forces against the background of the raids.

## Russian forces thwart an attempt to target the coalition base in Deir Ezzor

A private source told DeirEzzor24 network that the Russian military police in Deir Ezzor arrested two members of the Iranian Revolutionary Guards militia in the town of Hatla, northeast of Deir Ezzor.

The source added that a Russian patrol arrested the two men while they were erecting a small launching pad with two missiles, in an abandoned house in the northeastern neighborhoods of Hatla, last night, to target the global coalition base at the Conico Gas Factory.

He confirmed that they were arrested before the two missiles were launched, as a result of information leaked to the Russian Reconciliation Center in Hatla, by one of the town's volunteers in the Fifth Corps.

According to the source, the two missiles were transferred from Ayash warehouses, west of Deir Ezzor, through the dirt bridge of the Fourth Division.

The bases of the global coalition "Al-Omar" and "Conico" were targeted by missile strikes more than once in the previous period, coming from the areas controlled by Assad's forces east and west of the Euphrates.

## Clashes break out between Daesh and a group of Assad forces in the east of Deir Ezzor

A member of the 17th Division was wounded by gunfire and was subsequently transferred to the military hospital in Deir Ezzor, as a result of a clash with Daesh members two days ago, according to a DeirEzzor24 reporter.

He pointed out that a clash broke out between a point of the 17th Division of Assad's forces and gunmen on three motorcycles (believed to be affiliated with Daesh), last Wednesday night, in the Al-Bukamal desert, east of Deir Ezzor, resulting in the injury of a member of the 17th Division who was admitted to the military hospital in Deir Ezzor.

Daesh cells are active in the Deir Ezzor desert along the region extending from its western countryside to the Syrian-Iraqi border, east of Deir Ezzor.

## Russian forces attempt to recruit locals in Deir Ezzor to fight in Ukraine

A DeirEzzor24 network reporter mentioned that the Fifth Corps of Assad's forces, which is run by Russian forces, has opened a new door for affiliation to fight with Russian forces in Ukraine.

He mentioned that the Russian Reconciliation Center in the town of Hatla, northeast of Deir Ezzor, began promoting the idea of fighting alongside the Russian forces in Ukraine in return for high financial salaries.

The Russian President recently signed an approval for foreign fighters to join the ranks of the Russian army to fight on Ukrainian soil.
