SDF has recently made territorial gains against Assad forces in Deir Ezzor province

in a remarkable development that did not happen in more than 5 years, the SDF advanced to the point of contact with Assad's forces, which was more than 1 km away from its military points in the eastern countryside of Deir Ezzor, according to the correspondent of DeirEzzor24 Network. He said that the progress of the SDF in some areas took place without crossing the borders on the railway, as it set up points for it in the houses (al-Hawaweesh) in the town of Khasham Fawqani, east of Deir Ezzor, and raised its flags in the area extending to the west and towards the "Naft Tourist" club in the town of Marat Fawqani. He added that this sudden advance of the SDF comes after two weeks of tension that reached the point of a clash between the militia of the Fifth Corps of the Russian division and members of the SDF on the outskirts of the towns of Jadid Akidat and Tabiyat Jazira, which led to the death of two members of both sides, followed by the withdrawal of some Russian forces from the Russian military bridge, which It connects the Jazira region with Al-Shamiya. This progress is the first of its kind since the railway was chosen as a dividing line between Assad's forces and SDF in the area extending from the town of Marat to Tabiya Jazira and the demarcation line separating the two parties more than 5 years ago.

The Iranian hospital in Deir Ezzor have increased the salaries of doctors

The administration of the Iranian Al-Furat Hospital in the city of Deir Ezzor has raised the price of medical examinations for citizens, especially women, according to a reporter of DeirEzzor24 Network. Our reporter indicated that the cost of examining the gynecology department is 3,000 Syrian pounds, and the price of the "echocardiography" device is 1,500 Syrian pounds. It also allowed women to receive emergency cases. The examination was lifted in the Iranian hospital in light of the deterioration of the medical situation in Deir Ezzor in general and the lack of doctors and medical equipment

Unknown gunmen launch a new attack on Assad forces positions in the east of the Euphrates, Deir Ezzor province

Unknown gunmen attacked a military security checkpoint in the town of Khasham in the eastern countryside of Deir Ezzor according to a reporter of DeirEzzor24 Network. He said that the attack was carried out with automatic weapons, and no casualties were recorded. The number of the attackers was estimated at four, two of whom fled towards the SDF-controlled areas towards the Konoko factory road, while two fled towards the town's homes. Assad's forces positions and the Fifth Corps in the area were mobilized at the highest level in response to the attack

Criminal Security arrests a number of owners of mobile phone stores in Al-Bukamal

patrols of the Criminal Security arrested a number of owners of mobile phone shops in the market of the city of Al-Bukamal in the eastern countryside of Deir Ezzor, according to what was reported by the DeirEzzor24 network reporter. He said that the arrest came on charges of illegally customs mobile phones and harming the Public Telecommunications Company, and a fine was imposed on each of them, and a pledge was written not to customs any device under penalty of accountability. The illegal customs "smuggling" is a process followed by the owners of mobile phone stores in Deir Ezzor due to the significant increase in the regular customs prices.

The arrival of a Lebanese Hezbollah militia commander to Deir Ezzor

Deir Ezzor witnessed a state of high alert within the ranks of the Iranian Revolutionary Guard, according to a reporter of DeirEzzor24 Network. He pointed out that the reason for the alert was the arrival of a Lebanese Hezbollah militia commander, nicknamed "Hajj Siraj", via Deir Ezzor Airport. He added that the so-called "Siraj" attended meetings of some Iranian commanders in the Al-Dahiya neighborhood of Deir Ezzor city, and another in the city of Al-Mayadeen, east of Deir Ezzor. The topics of the meetings held by "Hajj Siraj" were not known due to the great secrecy surrounding them

The start of the harvest season in Deir Ezzor, and optimism among the farmers

A number of farmers began harvesting rain-fed barley in the desert of Deir Ezzor (east of the Euphrates), with an abundance of crops as a result of the recent rains in the region, according to a reporter DeirEzzor24 Network. Farmers told Deir Ezzor 24 that the production per hectare ranged from 3 bags to 15, depending on the quality of agriculture and fields. The crops of barley and wheat, both rainfed and irrigated, in Deir Ezzor will be good crops compared to previous years

A high-ranking Iranian delegation arrives in Deir Ezzor

An Iranian delegation arrived at the Deir Ezzor military airport, and was received by a number of officials of the Iranian Revolutionary Guard militia, a private source told a reporter of the DeirEzzor24 network. The source said that both the Iranian "Amir Abbas", who holds the position of defense minister in the Iranian Revolutionary Guard militia in Deir Ezzor, and the so-called "Hajj Radwan", the security official in Deir Ezzor, were receiving the delegation. He added that the delegation includes Iranian experts who are expected to head towards the phosphate mines in the Khneifis area in Hama countryside. A number of news agencies had touched on the issue of Iran's extraction of uranium from phosphate mines in Syria for the manufacture of yellow cake.

The Fourth Division prevents people from getting sugar in Deir Ezzor

The Fourth Division checkpoint at the entrance to the Panorama, south of the city of Deir Ezzor, stopped two "locomotive" trucks loaded with sugar for the second day in a row, for unknown reasons, according to a reporter of DeirEzzor24 network. He said that the confiscation of sugar shipments by the Fourth Division led to the continuation of the sugar shortage in Deir Ezzor and its monopoly in merchants' warehouses. He added that the price of one bag, if available in the city of Al-Mayadeen, reached 480,000 Syrian pounds. Deir Ezzor has been suffering from a sugar crisis for more than 10 days, and the main reason for this is the Fourth Division

A Daesh commander has been arrested in a landing operation in Deir Ezzor

A force from the International Coalition, accompanied by a group from the SDF, carried out an airdrop at two in the morning, on the homes of the Al-Surour family in the village of Abu Al-Nitel, north of Deir Ezzor, according to the correspondent of DeirEzzor24 Network. He said that the operation resulted in the arrest of 3 people, including a person called "Muhammad al-Mutashar", who has been wanted by the SDF and the coalition since 2019 and is a leader in Daesh. Al-Mutashar" was targeted during an airdrop earlier, but he managed to evade and escape.

Pilgrims of the Iranian Revolutionary Guard militia in Deir Ezzor prepare for the harvest

The so-called pilgrims in the Iranian Revolutionary Guard militia, led by the so-called "Hajj Askar," and the investors in wheat cultivation in each of Albukamal and the irrigation sectors of Deir Ezzor, brought in a modern harvester to complete the harvesting process, according to the correspondent of DeirEzzor24 Network. Our correspondent said that leaders of the Iranian Revolutionary Guard militia seized hundreds of hectares in the eastern countryside of Deir Ezzor and planted them with barley and irrigated wheat, benefiting from agricultural aid such as seeds and fertilizer provided by international organizations. The production of wheat and barley is smuggled to the State of Iraq or stored in warehouses belonging to the Iranian Revolutionary Guard militia in Deir Ezzor

Expired medicines in areas controlled by the Assad regime in Deir Ezzor

The areas controlled by the Assad regime in Deir Ezzor are witnessing the spread of expired medicines in its clinics, hospitals and medical points, according to the correspondent of DeirEzzor24 Network. Our correspondent said that these medicines are distributed by the Health Directorate, and some of them are from international organizations operating in the governorate. The spread of these drugs threatens drug poisoning among the people of Deir Ezzor, if they are used, with the Assad regime's Health Directorate being indifferent to the dangers of distributing these drugs

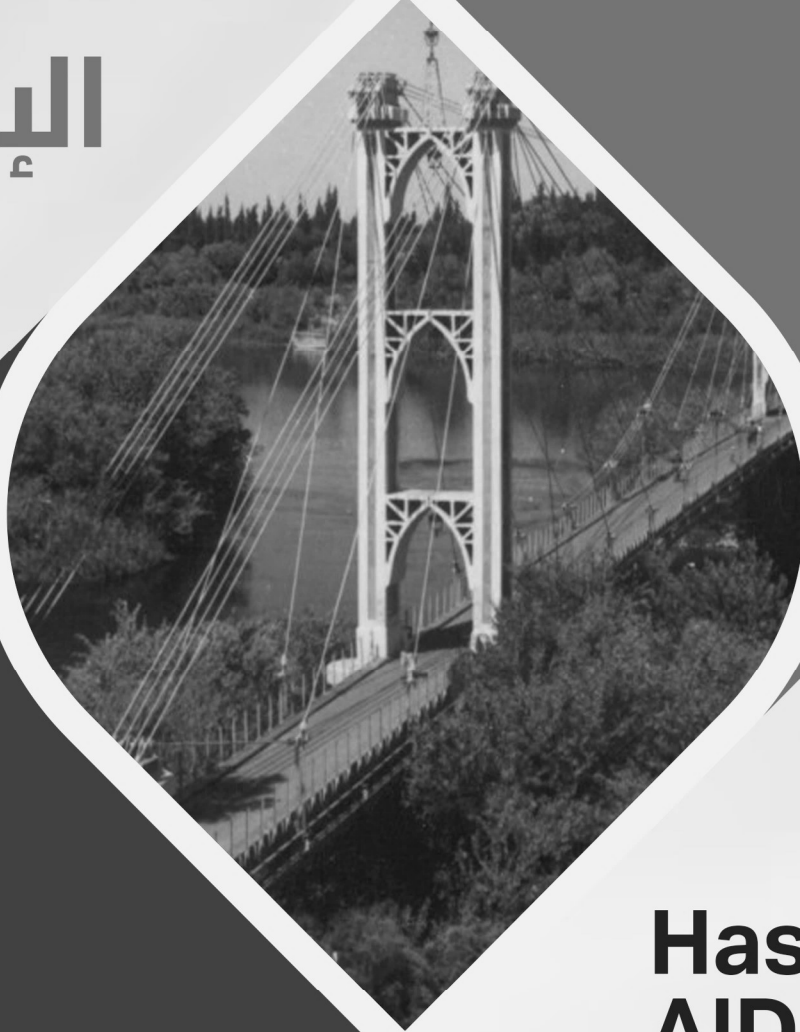

The Iranian Revolutionary Guard militia buys new real estate in Deir Ezzor

DeirEzzor24 Network has learned that pilgrims from the Iranian Revolutionary Guard Corps have purchased new real estate in the city of Deir Ezzor. He said that the so-called pilgrims of the Iranian Revolutionary Guard militia have bought more than ten houses, varying between apartments, warehouses, and cellars near Nasr's new headquarters, in both the Sheikh Yassin and Hamidiyeh neighborhoods, and on Port Said Street. He added that the buildings, which were purchased, are mostly in an average condition, in need of restoration operations, and after that they need rehabilitation, The Iranian Revolutionary Guard militia is seeking to acquire property in Deir Ezzor by purchasing real estate, and assigning purchase operations to real estate brokers and offices working in partnership with the Iranian Jihad al-Binaa Organization
