The IRGC militia provides its headquarters in Deir Ezzor with an advanced communications system

The Iranian Revolutionary Guard militia has provided its headquarters located within the security square in the Municipality Villas neighborhood in the city of Deir Ezzor with an advanced communications system, according to what a DeirEzzor24 network reporter said today. According to the reporter, the system was installed in conjunction with the intensification of meetings held by Iranian militia commanders, amid the alert of all sectors within the city of Deir Ezzor. Residents in the city of Deir Ezzor, in particular, are suffering and complaining about the spread of military headquarters and missile launch pads belonging to Iranian militias

The Assad regime relies on the dollar in its public departments in Deir Ezzor

A DeirEzzor24 network reporter said that departments affiliated with the Assad regime in Deir Ezzor Governorate are now charging their fees in dollars. According to the reporter, the fee for external birth registration of a child in Lebanon amounted to \$100, paid at the Central Bank according to a notification from the civil registry, and \$100 to record the loss of the flag service book, paid according to a notification from the Euphrates Recruitment Division in Deir Ezzor. These measures by the Assad regime coincide with a historic decline in the Syrian pound, which exceeded the barrier of 14 Syrian pounds per dollar

An Iranian commander has been killed in an armed attack in Deir Ezzor

An Iranian commander was killed along with 4 of his members, when unknown persons attacked positions of the Iranian Revolutionary Guard militia in eastern Deir Ezzor, a private source told DeirEzzor24 network today. The source added that the attack occurred near the "Imam Ali" base in the Al-Bukamal desert in the eastern countryside of Deir Ezzor, near the Syrian-Iraqi border, and it is believed that the militants were from Daesh. It is worth noting that the organization launches attacks, from time to time, on positions of Assad's forces in Deir Ezzor

The Russians limit Iranian activity northeast of Deir Ezzor

A DeirEzzor24 network reporter said that all activities of the Iranian Revolutionary Guard militia in the Husseiniyah "Imam Jaafar al-Sadiq" in the town of Hatla, northeast of Deir Ezzor, were stopped, under Russian orders. According to the reporter, Iranian meetings and gatherings were stopped, in addition to the Shiite course scheduled to be held by the general, "Abu al-Sajjad Najm al-Sheikh Ali," for the people of the region, while the opening of the Husseiniya was limited to prayer only. These instructions come as part of several Russian measures to limit military activity within the seven towns east of the Euphrates in Deir Ezzor province, which threaten the coalition in areas controlled by the SDF.
